

Pedagogical Plumber

**I am the Pedagogical Plumber
The great Learning Blockage Unbunger
Come one, come all
The great and the small
Don't turn and run for cover
I'm here to help
You see – I'm a friend
And I believe in you and your potential
You are amazing
And amazingly good at remembering
What, not I! I hear you cry
Pish posh! comes fast my response
One day is all it takes
And I will prove how perfectly sound
Your beautiful mind really is
By the end of 6 hours you will discover
The secrets of your grey matter
So results really tell
It wasn't hell -
but fun and joy and laughter**

**I am the Pedagogical Plumber
The great Learning Blockage Unbunger.**
